

PART 5. Hunt Selection

1. Decide which days and areas that you want to hunt.
2. In each column, circle the number in each box for the days and areas you are applying for.
3. For each area selected, add the number from columns A, B, and C and enter that amount in column E.
4. If you are disabled, and you want to hunt at a disabled accessible hunting site, check the box marked "Disabled Accessible Hunting Site" in column D. Hunters who apply for a disabled accessible hunting site at a given area may not apply for any other reservation draw for that area on that date. A disabled hunter is defined as any person who has been issued a Department of Motor Vehicles "Disabled Parking Placard Identification Card" or a "Disabled Veteran" license plate. A plastic "Disabled Parking Placard" may not be substituted for the required "Identification Card" which bears the name of the disabled hunter. Hunting areas with disabled accessible hunting sites are designated with the "♿" Symbol in the chart below.
5. Add the total numbers in Column E, multiply that total by \$1.00, and enter that amount in the "GRAND TOTAL" box.
6. Attach check or money order for the grand total, or complete the credit card authorization on the reverse side, and send your application to the **Department of Fish and Game, P. O. Box 989041, West Sacramento, California 95798-9041.**

DO NOT SUBTRACT DAYS ON FORMS SUBMITTED AFTER THE SEASON HAS OPENED.
